[a] Under regulation 3.2 (e) of the Financial Regulations of the United Nations, adjustments shall be made to the assessment of Member States in respect of Members' credits in the Tax Equalization Fund estimated to be not required to meet charges for tax refunds.

[b] Equivalent amounts financed by credits arising from the previous budgets of the United Nations Assistance Mission for Rwanda.

II. Apportionment of the costs of the International Criminal Tribunal for Rwanda

1. The amounts appropriated by the General Assembly, as shown in the table above, were apportioned among Member States in accordance with the provisions laid out in chapter II and as shown in chapter III, sections A to L, below.

2. The General Assembly, in order to ensure that the source of financing of the International Criminal Tribunal for Rwanda was secure and stable, reaffirmed, by its resolution 49/251 of 20 July 1995, that the expenses of the Tribunal should be met through additional resources on the basis of assessed contributions, and authorized a separate special account to be created outside the regular budget for that purpose.

3. The General Assembly also decided, as an ad hoc and exceptional arrangement, that Member States would waive their respective shares in the credits arising from previous budgets of the United Nations Assistance Mission for Rwanda in an amount equivalent to that of the amounts to be assessed, to be transferred to the Special Account for the International Criminal Tribunal for Rwanda from the Special Account for the United Nations Assistance Mission for Rwanda.

4. By its resolution 52/218 of 22 December 1997, the General Assembly, cognizant that the unencumbered balance in the Special Account for the United Nations Assistance Mission for Rwanda was not sufficient, decided, beginning with the budget for 1998, to apportion half of the total budget for the Tribunal, after taking into account any cumulative surplus balance and credits from the unencumbered balance, among Member States in accordance with the scale of assessments applicable to the regular budget of the United Nations and half in accordance with the rates of assessment applicable to peacekeeping operations. This method of financing has continued to be applied to all subsequent assessments.

5. The percentage shares shown in chapter III, sections A to L below were arrived at using the scale of assessments for the period from 1995 to1997, adopted by the General Assembly in its resolution 49/19 B of 23 December 1994, the scale of assessments for 1998 to 2000, adopted by the Assembly in its resolution 52/215 A of 22 December 1997, and the scale of assessments for 2001 to 2003, as adopted by the Assembly in its resolution 55/5 B of 23 December 2000 and adjusted by the Assembly in its resolution 57/4 B of 20 December 2002.

6. The scheme for the apportionment of costs for peacekeeping operations set out in resolution 3101 (XXVIII) as adjusted by resolutions 43/232 of 1 March 1989, 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991, 47/218 A of 23 December 1992, 49/249 A of 20 July 1995, 49/249 B of 14 September 1995, 50/224 of 11 April 1996, 51/218 A to C of 18 December 1996 and 52/230 of 31 March 1998, and its decisions 48/472 A of 23 December 1993, 50/451 B and 50/471 A of 23 December 1995 and 54/456, 54/457 and 54/458 of 23 December 1999, was applied to the assessments for the portions of the budget apportioned at the peacekeeping rates of assessment as shown in chapter III, sections G through I below.

7. By its resolutions 55/235 and 55/236 of 23 December 2000, as adjusted by resolution 57/290 of 20 December 2002, the General Assembly adopted a new system of apportioning the cost of peacekeeping operations, which was applied to the assessments for the peacekeeping portions of the budget for mandate periods from 1 July 2001, with a transitory ad hoc adjustment for the period from 1 January to 30 June 2001, as shown in chapter III, sections J to L below.

III. Assessment of Member States for the financing of the International Criminal Tribunal for Rwanda for the period up to 31 October 1995 through 31 December 2003

a/ Percentages are rounded to four decimal places.

b/ Effective rate for 1998 (rounded to three decimal places), reflects Portugal's gradual shift from group C to group B and Belarus' full shift from group B to group C, in accordance with General Assembly resolutions 49/249 A and B. It also reflects Greece's gradual shift from group C to group B and Ukraine's Gradual shift from group B to group C , in accordance with General Assembly resolution 50/224.

c/ Pending the placement of Slovakia in the appropriate group (General Assembly resolution 51/218 B), there is no assessment yet for it. Consequently, the scale of assessments for 1998 has been reduced from 100.000 per cent to 99.947 per cent.

d/ United States share in staff assessment credit: $736,626.00.

H (a). Assessment of Member States for the financing of the International Criminal Tribunal for Rwanda for the period from 1 January to 31 December 1999

(in United States dollars)
